Product Name	Hot-melt pressure sensitive adhesive for Sealing of Aerosols
Appearance	Opaque white Pellet, Granules, Liquid
Melt Viscosity	Approx 2000 Pa.s (Brookfield Viscometer, Spindle 27, 180±5°C)
Melting Point	Approx 100°C ± 10°C, Approximate, per Customer's requirement
Recommended Application	Aerosols, Oil, Compressed medical, gas Oil, Compressed air, Refrigerant, Industrial, etc., For glass Cans & Aluminum Cans/metal & applications
Recommended Packaging	25kg, 50kg, 100kg, 1 ton, Customer's requirement
Shelf Life	12 months, Keep in a cool & dry place
Certificate	Rohs Compliance, Halogen free, Formaldehyde free, Toluene free, Benzene free, Phthalate free, Cadmium free, Lead free, Mercury free, Chromium free, Arsenic free, Antimony free, Cobalt free, Nickel free, Tin free, Zinc free, Silicone free, Phosphorus free, Sulfur free, Chlorine free, Bromine free, Fluorine free, Iodine free, Boron free, Selenium free, Tellurium free, Tungsten free, Molybdenum free, Manganese free, Vanadium free, Titanium free, Zirconium free, Silver free, Platinum free, Gold free, Palladium free, Iridium free, Rhodium free, Ruthenium free, Osmium free, Rhenium free, Beryllium free, Germanium free, Gallium free, Indium free, Thallium free, Bismuth free, Antimony free, Arsenic free, Selenium free, Tellurium free, Polonium free, Astatine free, Radium free, Radioactive, TSE free, etc.
Sample	100g Sample, Customer's requirement
Delivery Time	Sample: 3-5 days, Mass production: 7-15 days after receipt of deposit
Payment Terms	Sample: 100% T/T in advance, Mass production: 30% deposit, balance before shipment
Shipping Terms	Sample: Express, Mass production: Sea or air shipping, according to customer's requirement
Shipping Port	Shenzhen, Guangzhou, Ningbo, Shanghai, Qingdao, Tianjin, Xiamen, Dalian, Lianyungang
Shipping Way	Express (DHL, UPS, FedEx, TNT, EMS, etc.), Sea shipping, Air shipping, Land shipping
Notes	100% Inspection of Product before Sea or Air shipping, according to customer's requirement
