Material	Ductile iron, Gray iron, Alloy iron, Stainless steel, Aluminum, Copper
Size	Max. 1000 × 1000 × 1000 mm, Min. 100 × 100 × 100 mm, Weight: 0.5kg
Quantity	Min. 1000pcs, Unlimited mass order
Process	Casting, Machining, Heat treatment, Shot blasting, Painting, Galvanizing, Anodizing, Powder coating, Electroplating, Passivation, Laser marking, Packing
Tolerance	Casting: CT8-CT9, Machining: IT7-IT8
Surface finish	Casting: Ra 12.5-25, Machining: Ra 1.6-3.2
Heat treatment	Annealing, Normalizing, Quenching, Tempering, Carburizing, Nitriding, Induction hardening
Inspection	Dimensional inspection, Hardness test, Tensile test, Impact test, Metallographic analysis, Salt spray test, Ultrasonic inspection, Magnetic particle inspection, Dye penetrant inspection, Pressure test, Leak test, Visual inspection
Packing	Wooden crates, Pallets, Plastic film, Anti-rust paper, Bubble wrap, Foam, Carton boxes, Customized packaging
Delivery time	15-30 days
Payment	T/T, L/C, PayPal, Western Union, Alipay, Trade Assurance
Shipping	Sea freight, Air freight, Express (DHL, FedEx, UPS, EMS), Land transport, Multimodal transport
Certificates	ISO 9001, ISO 14001, ISO 45001, CE, RoHS, REACH, Customs clearance, Origin certificate, Inspection report, Material certificate, Test report, Insurance, Customized documentation
