PROCESS

Technological process

PRODUCT NAME	Precision Customer Casting Pins Cardan Universal Joint Shafts Aluminum Alloy Die Casting Parts
Supplier	Ship Or Drawing can not read **TCP,PLC,ROC, Etc**
Offered Quantities	Small &Other Samples, Similarly Per Drawing Half Samples
Material Type	Ductile Iron,Gray Iron,Steel,Stainless Steel,Aluminum Alloy,Brass,Copper,Zinc,Magnesium
Manufacturing Process	Sand Casting,Lost Wax Casting,Investment
Surface Treatment	Black Oxide,Zinc Plating,Powder Coating
Lead Time	Samples: 5-10D working days Mass production:**20-25** working days Remarks: We Can Adjust The Leadtime If Need
Packing	Wooden Box,Wooden Pallet,Wooden Case,Carton Box,Plastic Bag,Pallet,Wooden Box Or Customized
Delivery	Sea Freight,Air Freight,Express Shipping,Land Freight
Other Services	**Free 100% sample**,Mold Design & Lead **optimization support** to **potential manufacturing feasibility**
Qc Needs	**Coating after die casting, die casting parts**
