Product CNC machining parts, CNC lathe parts, CN Material Aluminum alloy AL6061, AL6065, AL6063 SUS316,etc.  Dimension According to drawings  Heat treatment, Polished, Anodizin, Powd Spraying, etc.  Package Carton package  Processing Equipment CNC mill Horizontal milling machine, CNC mill Horizontal milling machine, Chamfering metc.  Hardness tester, Precision plug gauge, Garton plug garton pl	ering, Zinc-plating, Electroplating,  Uling machine, Drill machine,  nachine, CNC cutting machine,
Material  Aluminum alloy AL6061, AL6065, AL6063 SUS316,etc.  Dimension  According to drawings  Heat treatment, Polished, Anodizin, Powd Spraying, etc.  Package  Processing Equipment  CNC machine, Grinding machine, CNC mill Horizontal milling machine, Chamfering metc.	ering, Zinc-plating, Electroplating,  Uling machine, Drill machine,  nachine, CNC cutting machine,
SUS316,etc.  Dimension According to drawings  Heat treatment, Polished, Anodizin, Powd Spraying, etc.  Package Carton package  Processing Equipment CNC milling machine, CNC milling machine, Chamfering machine, Chamferi	ering, Zinc-plating, Electroplating,  lling machine, Drill machine, nachine, CNC cutting machine,
Finish  Heat treatment, Polished, Anodizin, Powd Spraying, etc.  Package  Carton package  CNC machine, Grinding machine, CNC mil Horizontal milling machine, Chamfering machine, Chamf	lling machine, Drill machine, nachine, CNC cutting machine,
Package Carton package  Processing Equipment CNC machine, Grinding machine, CNC milling machine, Chamfering machine, Chamferin	lling machine, Drill machine, nachine, CNC cutting machine,
Processing Equipment CNC machine, Grinding machine, CNC milling machine, Chamfering machine, Chamfering machine, Chamfering machine, Chamfering machine, Chamfering machine, Chamfering machine, CNC milling machine, CNC m	nachine, CNC cutting machine,
Equipment Horizontal milling machine, Chamfering netc.	nachine, CNC cutting machine,
Hardness tester, Precision plug gauge, Ga	was District diseases.
Measuring micrometer, External diameter micrometer Equipment diameter micrometer, Vernier caliper, Dia Coordinate measuring machine, etc.	er, Digital caliper, Internal
MOQ According to customer requirements	
Accuracy / Tolerance ± 0.01mm	
Payment Terms T/T 50% deposit, 50% balance before ship	
CNC machining, CNC turning, CNC drilling Business Scope Milling machien, Mould design and machi machining, etc.	
Application Automation equipment, Medical equipme appliances, CNC machining parts, Automo	
Port Shenzhen, China	
Lead time 30 working days after deposit received.	
Main Equipment CNC machine	
1.Product Name : Professional customized CNC machining parts	
2.Process : CNC machining, CNC milling, CNC turning	
3.Material : Aluminum alloy AL6061 AL6065∏AL6063 AL7075 etc	
4.Finish: Polished, Powdering, Anodizing, Nickel-plating, Chror	mate, etc.
5.Tolerance : Minimium to ±0.01mm	
6.QC: 100☐ inspection	
7.Detail : According to drawings or samples, precision machining.	
8.Sample delivery time : 25 to 30 working days	
9.Applicable Scope: CNC machining parts, Industrial and mineral parts, Mechanical parts, Industrial parts, Automotive spare parts, etc.	
10.Customer : United States, Canada, Australia, European Union,etc.	
11.Quality system and certification : ISO 9001	
Our advantages	
1.10 years of experience with ISO certification	
2.Variety of materials	
3.High utilization rate of materials	
4.High quality and competitive price	
5.Short lead time	
6.Provide timely sample	
7.Rich experience in export trade	
Our services	
CNC machining parts and samples : On time delivery	
Package of CNC machining parts : Carton package	

Certification of CNC machining parts : ISO9001		
QC of CNC machining parts : 100% inspection		
OEM CNC machining parts are accepted.		

China CNC Machined Parts distributor
