

Products	zinc alloy Die casting parts, Aluminum Alloy Die casting parts, OEM Die casting parts, ... etc.
Material	Aluminum Alloy ADC12, A380, ... and others.
Dimensions	According to the painting
Completed	Thermal treatment, polished, Anodizin, powder, zinc plating, Electroplating, Spraying, ... etc.
Package	Carton package
Processing Equipment	CNC machine, Blender machine, CNC milling machine, Drill machines, horizontal milling machines, chamfering machines, CNC cutting machines, ... etc.
Measuring Equipment	Violence testers, Precision plug gauge, Gauges, Digital diameter micrometers, Outdoors micrometer diameter, digital caliper, internal diameter micrometer, Vernier caliper, dial indicator, altitude gauge, gauge measuring machine, ... etc.
MOQ	According to to customer needs
Precision / Tolerance	± 0.01mm
Payment terms	T / T deposit 50%, remaining 50% before shipment.
Business scope	CNC machining, CNC turning, CNC drilling, CNC milling, Grinding machining, machining machining, mold and machining designs, breakers, metal sheets machining, etc ..
Application	Automation equipment, medical equipment, industrial machinery, Electrical equipment, CNC machining parts, automotive spare parts, ... and others
Port	Shenzhen, China
Lead time	30 working days after deposit is received.
Main Equipment	Die casting machine
1. Product name: Professional customized die casting part	
2. Process: Off acting	
3.Material: aluminum alloy ADC12, A380, ... etc.	
4.Finish: Polished, Powdered, Anodizing, Nickel plating, chromate, ... etc.	
5. Tolerance: Minimum up to ± 0.01mm	
6.QC: 100% check	
7. Details: According to drawings or samples, machining accuracy.	
8.Sample delivery time: 25 to 30 working days	
9. Usable scope: CNC machining parts, industrial and mineral parts, mechanical parts, industrial parts, Automotive spare parts, ... and more	
10. Subscribers: United States, Canada, Australia, The European Union, ... and others.	
11. Quality system and certification: ISO 9001	
Our advantages	
1.10 years of experience with ISO certification	
2.Variety of materials	
3. level of use of materials	
4. High quality and competitive price	
5.View the main time	
6. Provide sample on time	
7. Experience in export trade	
Our service	
Dead parts and samples: On time delivery	
Package Die casting part: Carton package	

Certification of Die Casting Parts: ISO9001

QC Die casting parts: 100% inspection

OEM die casting parts are accepted.
