

Title:[Plastic Auto Bumper Mould](#)

Parameters□

product size□320x180x35MM

Mold size□FCI5060A90B90

Mould material□NAK80

describe:In injection mold processing, all kinds of nc machining are useful to apply the most is the numerical control milling and processing center, CNC wire cutting processing and the application of the numerical control electric spark machining in the mold nc machining is also very common.

□□

|                       |  |
|-----------------------|--|
| Products              | <a href="#">metal part mold,copper metal mold part,aluminum metal sheet mold part</a>  |
| Materials             | S136,SKD61,2083,H13,SKD11 etc  |
| Dimensions            | According to customer's drawing  |
| Surface treatment     | Heat treatment, polishing, anodized, electroplating, spraying, and tufftriding and so on   |
| Packing               | Wooden box, or as per the customer's requirements  |
| Processing equipments | Plastic Mold Parts, casting mold part, stamping mold part, drilling machine, horizontal precision mold part, chamfering machine, CNC cutting machine etc.  |
| Measure equipment     | Hardness tester, precision plug gauge, gauge block, digital outside micrometer, outside micrometer, digital caliper, inside micrometer, inside dial indicator, dial vernier caliper, dial indicator, depth vernier caliper and so on |
| MOQ                   | negotiable   |
| Precision/ Tolerance  | +/-0.01mm  |
| Payment               | T/T 50% deposit in advance ,50% T/T before shipment ;or others.  |
| Business scope        | CNC center machining, cnc machining, cnc drilling, cnc turning, grinding, tapping, mould design and processing, casting, sheet metal working etc   |
| Application           | Automation machine, medical device, industrial machine, automobile, electric appliance, and other industries, aluminum die casting parts, auto parts   |
| Ports                 | ShenZhen China   |
| Delivery              | 20-25 days after T/T 50% deposit   |
| Main equipments       | cnc machine center   |

|  |
|--|
| 1.Name: <a href="#">Factory Price OEM mold parts</a>   |
| 2.Process: custom mold part, cnc machining   |
| 3.Material: S136,SKD61,2083,H13,SKD11 etc  |
| 4.Surface:Polishing, powder coated, anodized, nickle plating, chromate etc                       |
| 5.Tolerance: can reach to +/-0.01mm  |
| 6.Quality control: 100% inspected  |
| 7.Specification: OEM service, strictly per drawing and samples                                   |
| 8. Sample delivery time: 25-30 days, per products.   |
| 9. Application: mold parts,mining accessories, machinery accessories, industrial, auto parts,etc |
| 10. Customer: USA,Canada, Austria, EU etc.   |
| 11. Certification: ISO 9001  |

#### [Our Advantage](#)

|   |
|---|
| 1. 10 years experience with ISO certified       |
| 2. All kinds of material is available           |
| 3. All kinds of surface finishment is available |
| 4. High quality with competitive price          |
| 5. Fast delivery time                           |

|  |
|--|
| 6. Sample available                                    |
| 7. Have export experience to all over the world        |
| <b>Our Services</b>                                    |
| Aluminum die casting parts sample: Can supply for test |
| Stamping parts packing: Standard packing               |
| Injection parts certification: ISO9001                 |
| Casting parts quality: Strictly quality control        |
| Spining parts OEM is welcomed                          |
