

AL 6061 CNC

Inspection Report

Report No.: XYK-130816
 Supplier : XY-GLOBAL

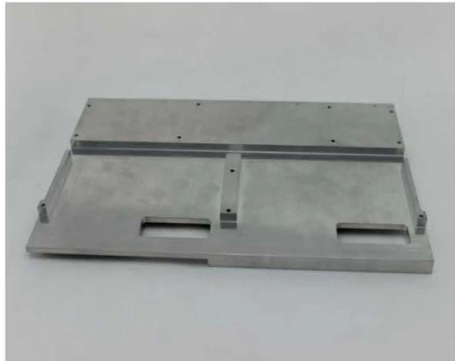

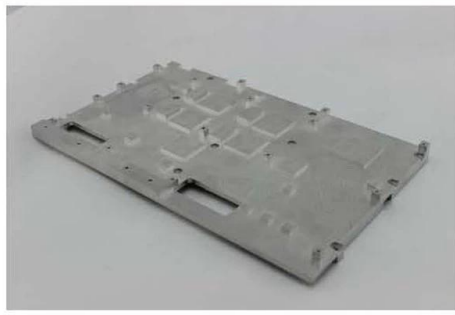

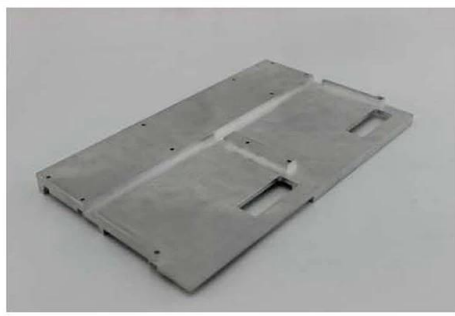

Inspection Date:12th Sep-, 2013
 Inspector:LEO

| | |
|--------------------------------------------------------------|-----------------------------------|
| Inspection only for: PO . XYK-130816 Item No.1300430 | Inspection Result: PASS |
|--------------------------------------------------------------|-----------------------------------|

| Description | Finished Q'ty | Sample Size | Defect Found | Defects Description | Acceptable Q'ty |
|-------------|---------------|---------------|--------------|---------------------|-----------------|
| 1300430 | 500PCS | 3% inspection | 0pcs | No failure | 500pcs |

| |
|--------------------------------------------------------------------------------------|
| Appearance Inspection : No failure, |
| Dimension Inspection: No failure , below measurement report for reference. |
| Assembly Test: No failure |
| Inspection Summary The inspection sample plan is 100% inspection. |
