

**Inspection Report**

**Report No.:** XYNA-130831  
**Supplier :** XY-GLOBAL

**Inspection Date:**15<sup>th</sup> Sep-, 2013  
**Inspector:**LEO

Inspection only for: PO . XYNA-130831      Item No.400-01-047	<b>Inspection Result:</b> PASS
--	-----------------------------------

Description	Finished Q'ty	Sample Size	Defect Found	Defects Description	Acceptable Q'ty
400-01-047	600	7% inspection	0pcs	No failure	600PCS

<b>Appearance Inspection :</b> No failure,
<b>Dimension Inspection:</b> No failure , below measurement report for reference.
<b>Assembly Test:</b> No failure
<b>Inspection Summary</b> The inspection sample plan is 100% inspection.

Overview	High precision CNC turned parts, including stainless steel, aluminum, and POM. Services include turning, grinding, and drilling.
Materials	AL6061, AL6065, AL6063, AL7075, SUS304, SUS303, SUS316
Services	CNC turning, grinding, drilling, and other precision machining services.
Capabilities	High precision CNC turning with tight tolerances and surface finish options.
Accuracy	± 0.01MM tolerance.
Lead Time	T / T 50 days for standard parts, longer for custom or large quantities.
Quality	100% inspection and ISO 9001 certified processes.
Specification	OEM standards and specifications.
Accessories	Various accessories available for CNC turned parts.
Certification	ISO 9001 certified.
Lead Time	20-25 days for standard parts, longer for custom or large quantities.
Quality	100% inspection and ISO 9001 certified processes.
1.Name:	High precision CNC turned parts, including stainless steel, aluminum, and POM.
2.Process:	CNC turning, grinding, drilling, and other precision machining services.
3.Material:	AL6061, AL6065, AL6063, AL7075, POM
4.Surface:	Various surface finish options available.
5.Tolerance:	0.01 +/- tolerance.
6. Quality:	100% inspection and ISO 9001 certified processes.
7.Specification:	OEM standards and specifications.
8. Lead Time:	30-25 days for standard parts, longer for custom or large quantities.
9. Accessories:	Various accessories available for CNC turned parts.
10. Certification:	ISO 9001 certified.
11. Lead Time:	20-25 days for standard parts, longer for custom or large quantities.
Quality:	100% inspection and ISO 9001 certified processes.
1. 10 kinds of surface finishment available	
2. Various accessories available for CNC turned parts.	
3. 10 kinds of surface finishment available	
4. Various accessories available for CNC turned parts.	
5. High precision CNC turning with tight tolerances and surface finish options.	
6. Various accessories available for CNC turned parts.	
7. High precision CNC turning with tight tolerances and surface finish options.	
High precision CNC turned parts, including stainless steel, aluminum, and POM.	
CNC turning, grinding, drilling, and other precision machining services.	
CNC turning, grinding, drilling, and other precision machining services.	
CNC turning, grinding, drilling, and other precision machining services.	
CNC turning, grinding, drilling, and other precision machining services.	
High precision CNC turned parts, including stainless steel, aluminum, and POM.
