PROCESS

Technologieprozesse

Process Control	Each production process has strict quality control
Quality Policy	We use 100 Percent Inspect All Laser **TEST X-ray, 100 % Rubber**
Production Line	OEM, and Sales Service, www.Modifies the Machining and Probes.
Capacity Area	40 Sheets, including 10 Vulcanizing, Automatic production, 100 sewage, automatic temperature over the vulcanizing Mold, Auto- and Vulcanizingautomatisiertes.
Mold Capacity	40 Sheet, 100 Unit Max Machine
Mold Material	Steel, Aluminum, Copper, Stainless Steel, Alloy, Brass
Lead Time	Sample: 5-15 Days Large: Time depends on the quantity. Generally speaking, it takes 30-45 days.
Delivery	By Ocean, **Sea,** By **T/T,** L/C, Thermographische, Paypal, Western Union Cash
Export	Professional Export Service
Mold	Shanghai, **HUZ** and Ningbo Port
Payment	**Standard Mold Price: Mold Cost + Production Price. Detailed**
