

PROCESS

	THE QUALITY
1.	Quality is a process, not a product.
2.	Quality is a responsibility, not a department.
3.	Quality is a commitment, not a slogan.
4.	Quality is a culture, not a program.
5.	Quality is a standard, not a goal.
6.	Quality is a habit, not a project.
7.	Quality is a philosophy, not a technique.
8.	Quality is a mindset, not a method.
9.	Quality is a way of life, not a set of rules.
