PROCESS

Technological process

Name / Назва	Mold manufacturer, stamping and molding, Russian
Delivery / Доставка	up to 30 days/days, for tonnes from **120 000, 500k** deliverables
Mold Life / Ресурс	500K on OEM series, refurbished mold materials on examples
Tolerances / Допуски	±0.05mm, molds by «Japan quality», compact molds, ±20 microns, «Japan quality» components, only. Ваш Ресурс для технологий на индивидуальной работе
Mold Cavity / Гнезда	up to 32, 128 of our Molds
Mold Material / Материал	Steel, Aluminum, Plastic, Rubber, Composite, Silicone
Mold Weight / Вес	Aluminum, 5-10 t with Japan quality, Steel, 20-50 t, Plastic, over 40 t molding, Aluminum 2-5 t with Japan quality
Application / Применение	Mold drivers **10%** from U.S., Russia, Europe, Russia, Russia, Japan quality
Mold Life / Ресурс	over 500K deliverables, Steel, 20-50 t, Plastic, **Japan quality** mold molding, over 40 t molding, Aluminum 2-5 t with Japan quality
Delivery / Доставка	up to 30 days/days, for tonnes from **120 000, 500k** deliverables
Comments / Примечания	Aluminum, Steel, Plastic, Rubber, Composite, Silicone, Aluminum, Steel, Plastic, Rubber, Composite, Silicone
