

Title:[2014 China Supply High Quality Die Casting Mould](#)

Parameters

Mold size CI3030A70B100

Mold material 45#

describe: Pressure casting or die casting, it is a kind of to press the molten alloy mixture to indoor, filling at high speed steel mould cavity, and the liquid alloy solidification under pressure and the formation of a casting foundry method. Die casting is distinguished from other foundry method is the main characteristic of high pressure and high speed

Products	metal part mold,copper metal mold part,aluminum metal sheet mold part
Materials	S136,SKD61,2083,H13,SKD11 etc
Dimensions	According to customer's drawing
Surface treatment	Heat treatment, polishing, anodized, electroplating, spraying, and tufftriding and so on
Packing	Wooden box, or as per the customer's requirements
Processing equipments	Plastic Mold Parts, casting mold part, stamping mold part, drilling machine, horizontal precision mold part, chamfering machine, CNC cutting machine etc.
Measure equipment	Hardness tester, precision plug gague, gauge block, digital outside micrometer, outside micrometer, digital caliper, inside micrometer, inside dial indicator, dial vernier caliper, dial indicator, depth vernier caliper and so on
MOQ	negotiable
Precision/ Tolerance	+/-0.01mm
Payment	T/T 50% deposit in advance ,50% T/T before shipment ;or others.
Business scope	CNC center machining, cnc machining, cnc drilling, cnc turning, grinding, tapping, mould design and processing, casting, sheet mental working etc
Application	Automation machine, medical device, industrial machine, automobile, electric appliance, and other industries, aluminum die casting parts, auto parts
Ports	ShenZhen China
Delivery	20-25 days after T/T 50% deposit
Main equipments	cnc machine center

1.Name: [Factory Price OEM mold parts](#)

2.Process: custom mold part, cnc machining

3.Material: S136,SKD61,2083,H13,SKD11 etc

4.Surface:Polishing, powder coated, anodized, nickle plating, chromate etc

5.Tolerance: can reach to +/-0.01mm

6.Quality control: 100% inspected

7.Specification: OEM serice, strictly per drawing and samples

8. Sample delivery time: 25-30 days, per products.

9. Application: mold parts,mining accessories, machinery accessoried, industrial, auto parts,etc

10. Customer: USA,Canada, Austrial, EU etc.

11. Certification: ISO 9001

[Our Advantage](#)

1. 10 years experience with ISO certified

2. All kinds of material is available

3. All kindls of sureface finishment is abailable

4. High quality with competitive price

5. Fast delivery time

6. Sample available

7. Have export experience to all over the world

[Our Services](#)

Aluminum die casting parts sample: Can supply for test

Stamping parts packing: Standard packing

Injection parts certification: ISO9001

Casting parts quality: Strictly quality control

Spining parts OEM is welcomed
