

PROCESS

| Process | Description |
|---------|--------------------------|
| 1 | Raw material preparation |
| 2 | Material mixing |
| 3 | Material heating |
| 4 | Material extrusion |
| 5 | Material cooling |
| 6 | Material drying |
| 7 | Material grinding |
| 8 | Material sieving |
| 9 | Material packaging |
| 10 | Material storage |
| 11 | Material transport |
| 12 | Material disposal |
